

**THIS IS MY ISAGENIX STORY ~ LOST 171 POUNDS !**

**BEFORE ISAGENIX CLEANSE**  
345 Pounds

**IN PROGRESS . . .**

**AFTER ISAGENIX CLEANSE**  
174 Pounds

My name is Rob Murphy and I live in Vancouver, BC. I am a pipe fitter by trade and in early 2010, I was worried about being able to continue working at my job because of my weight and achy body. I was only 53 years old but felt like it was getting close to the end. I knew I had to do something to get better and I had to commit to it. Isagenix was my choice.

My friend Shawn told me about Isagenix. His parents had lost a lot of weight on the Isagenix Nutritional Cleanse System and they had been coached very successfully by Margaret Baldwin on Vancouver Island ~ who had also coached her husband Derek Baldwin. He is #171 in the [www.WeightLossHallOfFame.net](http://www.WeightLossHallOfFame.net).

In April of 2010, I contacted Margaret and got started on the Isagenix Cleanse System. At that time, I weighed 345 pounds and felt really unhealthy and tired. I enjoy the Isagenix Cleansing products and lost a lot of weight. I feel unbelievably better and have lots of energy. **I was awestruck when I hit the 100 pound mark . . . I now weigh 174 pounds. That's a weight loss of 171 pounds.** I feel absolutely fabulous.

I love Isagenix and plan to continue on the Maintenance Plan forever.
