Teresa Peters

I released 165 pounds using the Isagenix Nutritional Cleanse System and I feel so energetic and happy. I was recognized on stage in front of 15,000 people for achieving the 100-Pound Club Award ! I have loads of energy and a whole new outlook on life. I love inspiring and sharing with others how Isagenix has transformed my life ... and I'm working towards leaving my current job to help people full-time.
